

# SHAPING AI

## Consent Form

Participant Identification Number for this study: If applicable.

Title of Project:

**Shaping 21st Century AI: Controversy and Closure in Research, Policy and Media**

Name of Researcher(s):

Noortje Marres, Michael Castelle, James Tripp,  
Chiara Poletti

**Please insert initials:**

I confirm that I have read and understand the information sheet (version x, dd/mm/yy) for the above study. The nature and purpose of this study has been explained to me and I consent to be interviewed/take part in the online consultation.	
I understand that my participation is voluntary and that I am free to withdraw my consent at any time (over the period of the study) without giving any reason, without my rights being affected.	
I understand that in case of withdrawal, in order to have my data deleted before the 10 year deadline, I will have to send a request within 3 months from the interview/consultation	
I understand that my answers in the interviews/ in the online consultation collected during the study, may be looked at by the Shaping AI team from The University of Warwick, where it is relevant to my taking part in this study. I give permission for these individuals to have access to my data.	
I consent to the interview being recorded (with audio/video) (for interviews)	
I understand that the interviews will be transcribed, anonymised and destroyed after 10 years and consent to the transcript being safely stored.	

I consent to be named when quoted in in verbatim quotations	
I want to be anonymised in verbatim quotations (with the use of code or pseudonym)	
I consent to my data to be used in future research.	
I wish to be notified of publications from the research results at this email address:	
I agree to take part in the above study.
